<sup>1</sup>STATE: The state abbreviation for the challenged jurisdiction.

<sup>2</sup>JURISDICTION: The name of the challenging jurisdiction/Governmental Unit (GU).

<sup>3</sup>HEO: The name of the Highest Elected Official of the GU that submitted the challenge.

<sup>4</sup>STATUS: The result of CQR challenge research. Statuses are "Pending", "Change" or "No Change". A **"Pending"** status is present for a challenge from the date the challenge is received in the CQR Office until after the GU, and any affected GU, receives their final results letter. At that time, the "Pending" status will be updated to "Change" or "No Change", as appropriate. A **"Change"** status is present for a challenge when a change to a jurisdiction's block level and/or total counts was made based on CQR research. When a change occurs, a "Pending" status is updated to "Change" after the challenging GU, and any affected GU, receives their final results letter. The word "Change" is a hyperlink to 2010 CQR Notes and Errata. A **"No Change"** means that, based on CQR research, no change was made to a jurisdiction's counts. When no change to the counts is made, a "Pending" status is updated to "No Change" after the challenging GU receives their final results letter.
